Every chord last for two measures. The first measure you play CHORD TONES, and the second measure of the chord you play either the "4Up" or the "5Down" line.

When you play ASCENDING CHORD TONES you use the "5Down" line.
 When you play DESCENDING CHORD TONES you use the "4Up" line.

* The asterisk shows the "One String Line", where all the notes are played on a SINGLE string.
